EXPERIENCE

Salesforce | Salesforce Developer Intern

Remote | December 2023 - January 2024

- Developed and maintained custom applications using Salesforce tools, including Apex, Visualforce, and Lightning components, to enhance user experience and meet business requirements.
- Created and optimized reports and dashboards, providing actionable insights and data-driven recommendations to key stakeholders for better decision-making.
- Collaborated with cross-functional teams to streamline workflows, automate processes, and improve overall efficiency on the Salesforce platform.

PROJECTS

Portfolio Website | Next JS, React, Tailwind CSS

- Designed and developed a personal portfolio Next.js, React and Tailwind CSS.
- Showcased projects, skills, and contact information in a responsive, user-friendly design.
- Added Dark/Light mode toggle, with automatic theme detection based on system preferences.

Full Stack E-Commerce Website (MERN Stack) | React.js, Node.js, Express, MongoDB

- Developed an online store with product display, shopping cart, and user authentication using React.js.
- Built REST APIs with Node.js, Express.js, MongoDB for product, cart, and user management.
- Implemented an Admin Panel for adding, updating, and managing products.

Music Player Website (Spotify Clone) | React JS, Tailwind CSS

- Created an online music player with albums and multiple songs for streaming.
- Designed a responsive and modern UI using React.js and Tailwind CSS.
